Illinois Law requires this insurance company to issue an insurance card to you for each motor vehicle on your policy. This card must be presented as evidence of liability insurance to a law enforcement officer if requested.

Please detach and place the card in the glove compartment of the appropriate vehicle. Cards will be issued when your policy is renewed or when there is a change in vehicles. If you lose your card, you may request a new one by contacting your **Sales Representative** or our licensed Customer Service Representatives at 1-(800)-677-0777 Mon-Fri and Sat 8 to noon. Call to process insurance changes, obtain information on current accounts or find out more about how we can help with all of your personal Insurance needs.

If you are involved in an accident call 911 immediately if there are any injuries. If your vehicle is no longer drivable due to damage and you have Comprehensive and Collision coverage, call AAA Accident Assist from the scene at the phone number printed on your insurance card.

With your single call to AAA, we will:

- ◆ Immediately initiate your claim and dispatch roadside assistance to tow your vehicle.
- ◆ Schedule repairs at a local shop of your choice. At AAA Direct Repair Shops, you don't wait for a claim adjuster and AAA guarantees repairs for as long as you own the vehicle.
- ◆ Make a rental car reservation that fits your rental coverage.

NOTE: If you have questions about the coverages on your policy and benefits of Accident Assist, contact your Agent.

We thank you for insuring with AAA - MemberSelect Insurance Company. Your business is greatly appreciated.
